

Carroll County Board of Commissioners

COVID-19 Data Update June 10, 2021

Maggie Kunz, MPH
Carroll County Health Planner

*Please note that this data is preliminary and subject to change.

**Carroll County
Health Department**

Public Health
Prevent. Promote. Protect.

Levels of community transmission as defined by the CDC:

- Total new cases per 100,000 in past 7 days: low 0-9, moderate 10-49, substantial 50-99, high ≥ 100
- Percent positive tests in past 7 days: low $<5\%$, moderate 5-7.9%, substantial 8-9.9%, high $\geq 10\%$

Total cases per 100,000 per week

Total new cases per 100,000 this week: 11.3, moderate

Positivity rate in Carroll County: 1.44%
Low
Up 0.64 from last week

Probable cases

All COVID-19 Cases by Report Week

Confirmed Probable

- Probable cases are those who test positive with an antigen test, not a PCR test.
- Probable cases are not included in our confirmed case totals (PCR test only).
- Cases that are confirmed with PCR tests are removed from the probable totals.
- Week of 5/9 high due to lab submitting multiple weeks of past reports

14-Day Rolling Average of New Community COVID-19 Cases by Report Date

Please note: community cases only

Community COVID-19 Case Rates by Age Group and Report Week

NEW CASE RATES - Community cases only

Hospitalizations by Report Week: All COVID-19 Cases

This graph shows hospitalizations by week for COVID positive Carroll County residents, in any hospital.

- Report week is the week their case was reported, which may not be the same week they were hospitalized. Only one hospitalization is noted per person.
- There is a slight data lag so recent numbers may increase.
- Additional hospital data can be found on our website:
<https://cchd.maryland.gov/carroll-county-md-cases/>

Hospitalizations and Deaths by Age Group (years): All COVID-19 Cases

COVID-19 Deaths by Week of Death

■ Conf. Comm ■ Confirmed-Facility-related deaths

Please note:

- This data does not include deaths in probable cases.

"I chose to get vaccinated after talking with a few people I trust in the medical and research fields and seeing the effects the virus had on others. My job requires me to be out interacting with people and getting vaccinated took away the concerns of getting sick or passing on the virus. It was a relief to put the virus in the rearview mirror and again experience the freedom of just living."

- Chris Nevin,
Mayor of Hampstead
